

Chair of the Paediatric Continence Forum

The Role

The Paediatric Continence Forum (PCF) is looking for a new Chairperson.

This is an exciting opportunity to head a dynamic campaign group, which was set up in 2003 by the current Chair, has achieved a great deal in this field to date and is known and respected by key players within the Government and the NHS.

The role offers the opportunity to lead an expert Forum in engaging with high-profile policymakers and key opinion leaders.

We are seeking a candidate with a proven track record who can bring clinical and management expertise, as well as creative vision. The individual must have energy and enthusiasm for the work of the Forum, and be able to guide the PCF into the next stage of its development.

Core Competencies and Experience

We are seeking a Chair who is able to manage relationships in furtherance of the organisation's goals with the following competencies and experience:

1. Ability to work effectively in partnership with the Vice-Chair and The Whitehouse Consultancy which provides an advisory and secretariat service
2. A track record of building effective relationships at senior level with a wide range of partners and individuals and who can draw on a network of professional and other contacts to support the Forum
3. Some clinical knowledge and an understanding of the impact of continence problems on children and young people and their families
4. Experience of committee working with an ability to develop the Forum as an effective decision-making body
5. The ability to promote the interests of Clinical and Company members of the Forum and to recruit new Company members.

Personal Qualities

The ideal candidate will

- Relish a challenge
- Have a passion for improving services
- Encourage innovation
- Hold a strong set of values
- Encourage openness and communication
- Promote inclusion
